**Professional Summary**

LingaTech is a certified small, disadvantaged, minority-owned information technology company founded in 2012. Since our inception, LingaTech has been providing technology solutions and IT consultants to support government and commercial organizations. LingaTech is technology and platform agnostic, and we maintain competencies with a wide range of products in our ecosystem. Similarly, we stay current with changes in methodologies for the management of IT projects and initiatives. Our team includes experts in frameworks such as the Agile/Scrum methodology, ITIL, and project/portfolio management.

The pillars of every LingaTech solution are:

- Agile, reusable, and future ready solutions
- “Empowering Your Data” through transformation, increased visibility, analytics and AI, while reducing redundancies and inefficiencies
- Mobile and web-ready solutions
- Promoting efficiency, cost, and time savings
- Customized solutions based on our client’s business drivers and requirements

**Core Competencies**

- Data Services including Data Transformation, Data Exchange, Data Analysis, AI, and Accessibility
- Enterprise Secure Web Services
- Mobile Application Development
- Application Modernization with a Cloud-Ready Approach
- Cyber Security
- Service Oriented Architecture (SOA)/Microservices
- Geographic Information Systems (GIS) Capabilities
- DevOps Architecture, Development, and Management
- SDLC Management including Agile/Scrum, Iterative, and Waterfall
- Enterprise Architecture, Project and Portfolio Management
- IT and Professional Staffing and Consulting Services

**Selected Achievements**

- Awarded the *PA Excellence in Technology Award* in 2018 for architecting and developing mobile inspection solutions in the Department of Environmental Protection that increased efficiencies by 20%.
- Winner of the *Governor’s Grand Prize* in 2018 at the Code4PA competition for developing a data model to predict conditions most likely to effect traffic fatalities utilizing AI predictive analysis and GIS.
- Winner of the *Governor’s Best Team Award for Innovation* in 2019 at the Code4PA competition by developing a data model focused on Opioid addiction and access to treatment.
- LingaTech is a member of the Pennsylvania Governor’s Mentor Protégé program and we participate in the incubation programs geared at increasing the business spend to certified Small and Diverse Suppliers.
- Our Executive Team brings more than 70 years of combined service to the Commonwealth of Pennsylvania.
